

Reading Assist

High-Impact Tutoring

30-40 minutes sessions

1:1 or 1:2

3-5 times weekly

Reading Assist provides year-round high-impact tutoring services, including school-day, after-school and summer programming, to support students in kindergarten through third grade in the lowest 25% for reading proficiency.

Reading Assist uses our structured literacy program, which is rooted in the science of reading, to consistently help students achieve reading success.

Reading Assist can also align our tutoring with a district's preferred literacy curriculum.

Pricing

SCHOOL-YEAR TUTOR	\$18,000 per tutor
AFTER-SCHOOL TUTOR	\$10,000 per tutor
