

# Directions for Beginning Blend BINGO

Reading Assist

## GAME PREPARATION AND MATERIALS:

- Print the Three Beginning Blend BINGO Cards on card stock. Place each BINGO card in a plastic sleeve or laminate before use.
- Print Beginning Blend words and picture cards on card stock, laminate (optional) and cut out cards.
- Two dry erase markers and a dry eraser.

## GAME PLAY:

- Each player chooses a Beginning Blend BINGO game card.
- To practice spelling beginning blends, use the picture deck.
- Teacher or student picks a card, says the name of picture (example: crown). The students determine what the beginning blend is and how to spell that blend. (Example: It is a crown, the beginning blend is /cr/, it is spelled c r.)

- Each player finds the beginning blend (example cr-) on their board and marks it with a dry erase marker or BINGO marker.
- The first player to get five across, down or diagonal BINGO wins.
- **Option:** Play game with words card deck. Have student read word, state the beginning blend, determine how that blend is spelled and mark it on their board

## GO FISH:

- The card decks can be used to play Go Fish. Example: Do you have any words (or pictures) that start with the same blend that is in crab. The other player would have to give the first player the crown picture card or the cross word card if they had it and the first player would have a match. Play continues until all the cards are used. The player with the most matches wins.

---

Reading Assist helps children with reading challenges reach success through **high-impact tutoring** and **educator training**.
