

Directions for Consonant Digraph Switch

GAME PREPARATION AND MATERIALS:

- Print the Consonant Digraph Switch game cards on card stock, laminate (optional) and cut out cards.

GAME PLAY:

- Shuffle cards and deal each player 7 cards.
- Place remaining cards in the middle of players. Turn over one card.
- The first player must put down a card that has the consonant digraph as the card face up.
(EXAMPLE: If the card on the table says **this**, the player could play **than** or **than**. The player says /**th**/ as in **than** and places the card down. If the player does not have a card with the same short vowel, the player can:
- If the player does not have a card with the consonant digraph, the player can:
 1. Place a switch card down and change to another sound of consonant digraph.
(EXAMPLE: Player says, "Switch to /**sh**/ as in **ship** and places the ship card down)
 2. Player can pick from the deck. If he has a card he can play, he can use it during his turn. Before the game begins decide whether the player continues to pick from the deck until he gets a card he can play or if he player will pick one card per turn.
- The first player to use all their cards wins.

Reading Assist helps children with reading challenges reach success
through **high-impact tutoring** and **educator training**.
