Reading Assist

GAME PREPARATION AND MATERIALS:

- Print the Three Ending Blend BINGO Cards on card stock. Place each BINGO card in a plastic sleeve or laminate before use.
- Print Ending Blend words and picture cards on card stock, laminate (optional) and cut out cards.
- Two dry erase markers and a dry eraser.

GAME PLAY:

- Each player chooses an Ending Blend BINGO game card.
- To practice spelling Ending blends, use the picture deck.
- Teacher or student picks a card, says the name of picture (example: lamp). The students determine what the ending blend is and how to spell that blend. (Example: It is a lamp, the ending blend is /mp/, it is spelled m p.)

- Each player finds the ending blend on their board and marks it with a dry erase marker or BINGO marker.
- The first player to get five across, down or diagonal BINGO wins.
- **Option:** Play game with words card deck. Have student read word, state the Ending blend, determine how that blend is spelled and mark it on their board

GO FISH:

- The cards can be used to play Go Fish (You need to remove the _lp card.) Example: "Do you have any words (or pictures) that end with the same end blend that is in "lamp"?" The other player would have to give the first player the "stamp" picture card or the "damp" word card if they had it, and the first player would have a match. Play continues until all the cards are used. The player with the most matches wins.
