Dear Sir or Madam:

The letter determining your organization is exempt under section 501(a) of the Internal Revenue Code stated you would be treated as an organization described in section 501(c)(3) and that you would be treated as a publicly supported organization and not as a private foundation during your advance ruling period. This was based on our determination that you could reasonably be expected to be an organization described in sections 170(b)(1)(A)(vi) and 509(a)(1) or in section 509(a)(2).

We also stated that at the end of your advance ruling period you would have to establish that you were in fact an organization described in one of the above sections.

Our records indicate that your advance ruling period ends on the date shown above. Your exempt status as an organization described in section 501(c)(3) is still in effect. However, to establish that you are a publicly supported organization described in sections 170(b)(1)(A)(vi) and 509(a)(1) or in section 509(a)(2), please complete the attached Form 8734, Support Schedule for Advance Ruling Period, for each of the tax years in your advance ruling period.

The information requested in this letter is required to support your claim to be other than a private foundation. It is needed in addition to any required Form 990 or other annual return. Please send it to us within 90 days from the end of your advance ruling period and enclose a copy of this letter with your reply.

No user fee applies to this determination.

Under section 7428(b)(2) of the Code, not taking all reasonable steps, in a timely manner, to secure the determination may be considered as a failure to exhaust administrative remedies available to you within the Service, and may preclude the issuance of a declaratory judgement in the matter under judicial proceedings.
